ILLUMINATIONG DIAMOND

2014 AQHA Dun Gelding
Consigned by Trey Bennett

Dally is the kind of horse that will get you noticed wherever you take him. This deep bodied grulla gelding is just as good on the inside as he is on the outside. He has a very willing attitude, and a great work ethic. He has been used on the ranch to gather bulls and has seen lots of country from the east coast, to the west coast. He has done both blue & white collar work- ranching for a living 5 days a week, to being stalled and being ridden in the arena. If you are looking for a horse to enjoy, ride in the arena, down the trail and have a companion- look no further. He has a nice, walk, trot and lope on a slack rein, or will supple up and look just as pretty. He is sure-footed outside, carefully placing his feet to take care of his rider in any situation. He has been ridden in metroparks with runners, stollers, dogs, traffic, and handles it all in stride. Dally stands quietly on a tie line, cross ties, ground ties, and quiet as a church mouse on the trailer. He has been in both a stall environment, and turned out on pasture with no bad habits. Dally is the perfect size for a rider with bad knees, as he is easy to get on and off, but stocky enough to carry almost any size rider comfortably. No matter what direction you want to go, this phenomenal gelding will be sure to take you there. He has all the buttons: side pass, turn around, leg yield, but just as easily-point and go. Gentle, flashy and broke, with unlimited potential!

2021 Sorrel Gelding
Consigned by Dianna Hawkins

Stolee is a cute 3 yr old gelding with a good start. He has worked in the west Texas feedlot and has roped a few smaller calves. Been around the barrels a few times and through the poles, but not finished. This colt is quick footed, has a big motor, a big stride, and wants to work. He rides around pretty handy and should make a barrel, ranch, or rope horse. Finish him the way you want, for whatever you want.
